

The Moving House Journey

A Beginners Guide

find your perfect house

use the internet, create a shortlist and book viewings!

make an offer

negotiate a price that suits both you and the buyer

get a mortgage

shop around for the best mortgage deal

agree a completion date

agree a set date to move with the sellers

get a survey

your mortgage lender will arrange for a surveyor to check your new home

employ a solicitor

make enquires and find the best suited solicitor

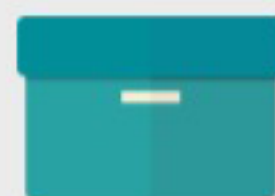

book a removal company

look for a BAR accredited, experienced company

change over your utility bills

don't forget to change address on your gas, electric and phone bills!

preparation is key!

prepare for the big day, make checklists, label up boxes
